

WINE CLUB

Variety Club

\$30/month*

Two bottles of the *same* wine are chosen each month, two red or two white. The Variety Club alternates between red and white every other month.

Cabernet & Company Wine Club makes a great gift for birthdays, weddings, anniversaries, Christmas ... or just a monthly treat to yourself!

All 3 Clubs include a review of the wines and a recipe to compliment each wine. The wines may be from anywhere in the world and may be any type, but we guarantee the wines will always be dry.

All Red or All White Club

\$30/month*

This Club was designed for anyone who prefers *only red* or *only white* wine. You will receive two bottles each month, either red or white, whatever you decide.

Reserve Club

\$65/month*

In this Club, we send you two different bottles of wine each month. They are the same color, but totally different selections. These are *premium wines*, some of which are limited, while others are simply too good to miss. They may be related through the winemaker, the winery or the varietal. We'll always have some reason for pairing them together.

The minimum term for all Clubs is three months, maximum is whatever you say.

*Prices include sales tax & delivery.
